IN RE: Application of Movers and Groovers, Incorporated for a Class E (Household Goods) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier.
Docket No. 2007-226-T

Dear Mr. Terreni:

The Office of Regulatory Staff ("ORS") is in receipt of a request to reinstate Certificate Number 9763 filed on behalf of Movers and Groovers, Incorporated (the Company) by Lewis Doscher. On August 22, 2008, the Public Service Commission ("Commission") issued Order No. 2008-590 which revoked the Company's certificate for failure to file an annual report.

Upon receipt of the Company's request for reinstatement, and following customary procedure, the ORS respectfully requests the Commission postpone consideration of the Company's request to allow time to conduct a compliance audit.

Additionally, Mr. Doscher states in his request for reinstatement that he was not notified of the cancellation of his certificate, and he called ORS for three weeks with no response.

Until Mr. Doscher faxed a copy of his annual report on October 22, 2008, ORS had no record of the Company filing an annual report. ORS notes Mr. Doscher would have received multiple mailings from both the Commission and ORS notifying him of his inclusion in the Rule to Show Cause and that his certificate had been revoked. In addition to these mailings, multiple ORS employees, including but not limited to myself, George Parker, and compliance officer Jerry Hallman, have contacted Mr. Doscher over the last several weeks. The purpose of these contacts was to inform him his certificate had been cancelled for failure to file an annual report, to answer any questions he had, and to refer him to forms on ORS's website so he could file for reinstatement of his certificate. Given the above-documented contacts, ORS believes it has been more than responsive to Mr. Doscher and his concerns.

Thank you for your assistance in this matter. If further information is needed, please do not hesitate to let us know.

Sincerely,

Shealy Boland Reibold
